SNAPSHOT

- In March 2024, overall occupancy rate increased 0.8% compared to March 2023.

A couple is seen from behind, standing on a stand-up paddleboard (SUP) on the ocean. They are silhouetted against a vibrant sunset sky filled with large, dramatic clouds. The sun is low on the horizon, creating a warm orange and yellow glow. The water is dark with some white foam from a wave in the foreground. The overall mood is peaceful and romantic.
